San Juan County Shoreline Master Program Update

Public Participation & Next Steps

Where are we in the SMP update process?

We are at the beginning of the process. Stages to follow include:

1. *Community Summit Series #2*.....*Summer 2011*

   Develop vision for the future of the County's shorelines

2. *Draft policies, regulations, and shoreline designations*.....*Fall 2011*

   Begin draft SMP that achieves the community vision

3. *Final Community Summit Series*.....*Summer 2012*

   Get public input on draft policies, regulations, and shoreline designations

   Review cumulative impacts analysis and restoration planning element

How can I stay involved in the process?

- Summit meetings
- Planning Comission and County Council Sessions
- Technical Advisory Committee meetings
- Community Outreach
